MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

Anzac Day Service

Anzac Day and our Anzac Day service seem a long time ago, despite being only one week ago. I'd like to thank and congratulate the children in Mrs H's class and in Mrs Jonklaas's and Ms Filov's class for leading us through such a thoughtful Anzac Day service. Thank you to these teachers for their work with the students; to Felix C's mother Jo for playing the Last Post and the Rouse for us; to the many families who brought flowers; the parents who created the beautiful wreaths; and to Mr Sean L'Estrange MLA for sharing his thoughts and perspectives as a Defence Force veteran. I would also like to commend our students on their very respectful participation.

Scribblers Festival

Some very excited Year 3-6 students (and staff!) will be heading to the inaugural Scribblers Festival on Thursday. I smiled as I read the introductory paragraph on the Scribbler's website (below) as it looks very much like our school purpose and our school vision. It reads

Developed with the input of internationally recognised creativity expert Paul Collard, CEO of Creativity and Culture in Education (CCE), the Creative Learning Program seeks to work with children and young adults in **equipping them with the skills and confidence to approach the challenges of a changing world with lateral thinking ability, creativity, and resilience.**

NAPLAN Online

In the next week or two the media will probably shift its focus from Gonski to NAPLAN. Our students, along with many others, will complete NAPLAN online (the exception being Year 3 Writing which will be pencil and paper). Schools have paper versions of the assessments should something unforeseen happen. WA is actually well placed to oversee the administration of online assessments, given that our State has been administering OLNA in secondary schools for several years. As I have said many times, schools have a myriad of ways of 'assessing' children's learning – ranging from informal strategies to check for understanding, which might be as simple as asking a question, to more formal assessments such as NAPLAN. Ensuring children are 'ready for NAPLAN' will be like any other day of being 'ready for school' – a good night's sleep, breakfast and arriving at school in plenty of time will ensure we maximise children's opportunities to learn and thrive.

Cross Country

This year Mr Hodgson has been teaching Physical Education to students from Pre-Primary to Year 2, and Mrs Smith to students in Years 3 -6. Aligned to this, we will hold two separate Faction Cross Country events (Term 2) and two separate Faction Athletics events (Term 3). The older children will complete the cross country event at City Beach oval and the younger children on our upper oval. The Year 3-6 cross country event is scheduled for the afternoon of Wednesday 6 June. We anticipate that the P-2 event will take place on the afternoon of Wednesday 13 June.

Farewell

On Friday we will farewell our Manager of Corporate Services, Ms Sandi Davies. Sandi has been an integral member of our administration team for over two years and on behalf of our staff and the broader school community I would like to sincerely thank her for the contribution she has made to Kapinara Primary School. We wish her every happiness and success.

Best wishes

Elizabeth Blackwell

GENERAL NEWS

MUNDARING WEIR EXCURSION THANK YOU

Year Two staff and students would like to thank all the parents who came to Mundaring Weir and cooked sausages and cut enormous watermelons and grapes for our scrumptious lunch! It was a highlight and a great day was had by all. Thank you to all the mums and dads who gave up their time to accompany us and we think we learned a lot about why water is more precious than gold!!

NEIGHBOURS DRIVEWAYS

More complaints from neighbours unfortunately. Could we please ask that you do not turn into driveways and reverse, please park safely and with respect to our neighbours.

ANZAC DAY COMMEMORATIVE SERVICE

Year Three staff and students wish to extend their thanks to the Kapinara Community for beautiful floral donations for the stunning flower wreaths made by a merry band of parent helpers on Monday, 30th April! The flowers made a really beautiful and poignant centrepiece to the service, so thank you again.

We would also like to acknowledge and thank Mrs Jo Coveney for playing the trumpet in real time at the service. A wonderful community effort in recognising our ANZAC service men and women. Lest we Forget.

ART ROOM RECYCLED ITEMS

The Art room is always grateful to receive ice cream, yogurt, margarine & takeaway containers. We are also seeking junk mail catalogues for the next few weeks.

ABSENCES REPORTED VIA WEBSITE

You are now able to let your teacher know via our website if your child is absent from school. Look for the 'Absent from school' tab at the top of the home page, an email will be forwarded to your child's teacher.

Our website is now your one stop shop for permission notes, absentees, canteen ordering and more. Don't wait for the newsletter, read it first on the website in the latest posts section! It has been designed to be smart phone friendly.

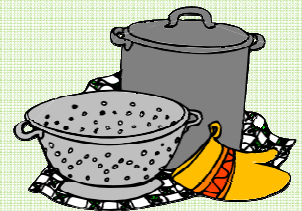

If you have any suggestions of information or enhancements that would be helpful to have on the site, please email us.

SCRIBBLERS FESTIVAL

On Thursday, Years 3-6 will be attending the Scribblers Festival. Students will have their lunch on their return at 1.20pm as per the note sent home. Please note, **canteen orders will not be available** for these students.

PREPRIMARY ITEMS

Pre-Primary would like some old pots and pans, colanders etc for outdoor play. If you have anything like that (or need an excuse to buy new kitchen products) please see Mrs Minissale in PP2 or contact her via Chrissie.Minissale@education.wa.edu.au You may even wish to take a photo of some items and send those through via email before bringing them in. Thank you!

2019 ENROLMENTS

Friday 20 July 2018 is an important date in your child's education.

Who needs to enrol?

You need to apply to enrol your children in school for 2019 if they are:

- starting Kindergarten – 4 years old by 30 June 2019
- starting Pre-primary, the first year of compulsory school – 5 years old by 30 June 2019
- starting Year 7, the first year of secondary school
- changing schools.

Every child from Pre-primary to Year 12 is guaranteed a place at their local public school.

Applications close Friday 20 July 2018.

Running Club Term 2

Week 1 saw the return of running club for its 4th year. I have been so impressed with the number of children and parents who have attended so far. The philosophy of the running club has always been to **"Have a Go"**. It doesn't matter if you arrive late, complete one lap or 10. It is a great way to start the day and to improve your fitness and challenge yourself.

If you are keen to try for the 100km club, please see target laps required for each year level.

PP/Yr1/Yr2 60 laps=100km

Yr3/Yr4 80 laps=100km

Yr5/Yr6 100 laps=100km

To cover the cost of medals \$10 paid to front office or myself would be greatly appreciated if you are hoping to aim for the 100km.

HBF Run for a Reason - Sunday, 27th May 2018.

Not long to go now!

Registrations are open for this event. A Kapinara PS team has been registered, with no password so if you or your family and friends would like to register, please search for Kapinara PS and register as part of our greater school community. It would be wonderful to see a lot of our community in the City for this event.

Coles Sporting Vouchers

Thank you to all families who shopped at Coles during the Coles Sporting Voucher campaign and deposited their docket in the boxes provided. We had a terrific response. I look forward to the new sporting equipment arriving and being used by our students.

Name a shark!

Each year, the Ningaloo Outlook tagging and tracking research team heads to Ningaloo Reef to tag a small number of whale sharks. This involves attaching tagging technology to allow the movement of these animals to be tracked.

You can view these movements at seaturtle.org/tracking

So... the team need a few names for whale sharks that we will be tagging in June...

If you think you can come up with an inspirational name please send it into us by the 20th May 2018.

We will then short-list three names for you to vote on, with the top three names to be announced at the Whale Shark Festival – Exmouth (26th May 2018).

AUTISM SPECTRUM DISORDERS

**Rotary Cambridge Guest Speaker : Georgia Garratt, Clinical Lead
Autism Research Team, Telethonkids Institute**

The Autism Research Team at the Telethonkids Institute is investigating the genetic and neuro-developmental causes of Autism and language impairment, and is conducting clinical intervention trials into Autism Spectrum Disorders.

The Rotary Club of Cambridge is delighted that on Wednesday 30 May Speech Pathologist Georgia Garratt will be the guest speaker at the Club's second Schools' Programme talk of the 2018 academic year.

Georgia is Clinical Lead of the Telethonkids Institute's Autism Research Team which, led by Professor Andrew Whitehouse, is seeking to discover new ways to identify Autism Spectrum Disorders as early as possible and to develop innovative methods to help children with Autism to reach their full potential.

Georgia holds a Master's Degree in Autism Studies – her research for her degree investigated inclusive education for students with Autism Spectrum Disorders. She has spent a number of years working alongside teachers to facilitate positive outcomes for students with Autism.

Details of this informative Rotary Club of Cambridge Schools' Programme talk are:
