Welcome Sundowner

Thank you to everyone who attended the Welcome Sundowner on 24th February. There was lots of enjoyment from food stalls, glow products and DJ (including plenty of kids and parents getting their groove on).

A total of \$3436 was raised, making it a very exciting start to the year.

Important Dates

- 31 March - Easter Raffle Winners Drawn
- 5 April - Hot X Bun Pickup
- 6 April - Last Day of Term 1

- 20th May - Walk to School
- 2nd June & 18th Aug - School Development Days

New School Year, Same Amazing P&C

It's no secret that public schools have to make their budgets go a long way. That's why the P&C often step in and fund important projects at Kapinara. Some of the projects proudly funded by the P&C this year will include:

- Kindy Home Corner Furniture
- Painting of Pre-Primary
- Decodable Reading Books
- Ukuleles for the Music Room
- Chaplaincy Program

With more conversations currently in the works!

In addition to this, P&C runs the convenient onsite uniform shop. As well as the canteen, providing healthy food options (enjoy a break from the lunch box grind).

KAPINARA P&C NEWS

Do you have a Green Thumb?

Kapinara's Vegetable Garden is always looking for volunteers! Please contact Nikki Hughes on 0401 524 010 to be added to "The Patch" WhatsApp group.

PP Update

Our Pre-Primary students are very excited to arrive each day to their newly refurbished rooms. The project involved making structural changes enabling the existing space within the building to be redistributed more evenly between the 2 classes. Finishing touches were proudly funded by the P&C. Of course, anything in which the P&C assists funding towards couldn't be done without the support of the school community.

Thank You!

Year 6 Cake Stall

Thank you to all who purchased something sweet at the Year 6 Cake Stall on Friday 17th March!

All funds go towards supporting this years disco, camp and graduation events.

P&C Funded Chaplaincy Program

Kapinara's resident Chaplain, Melissa Caley is now on site 2 days a week (Monday and Tuesday). We are proud to have helped fund this support network for 2022 and will continue to for 2023.

Melissa provides one-on-one, emotional and social support for students. She also hosts a lunch club in the art room each week, where kids can play games, do art and crafts or just relax and chat.

If you feel your child could benefit from the service, please speak to your teacher or the front office.

FREE TEA TOWEL...
with any purchase in the Uniform Shop!
Be quick, while stocks last!

Pssst...There's also a great availability of second hand uniform stock!

Canteen

Thanks to all who contributed to the Parent Survey!
We are currently working through the results.
Unfortunately, it has come time to slightly raise order pricing as both the supply and staffing costs have increased since 2022. Canteen is looking for volunteers for casual shifts. This will allow for further menu options.

Lost Property

The Lost Property is getting increasingly full. If you know your child is missing something, please check lost property.

The [P&C Facebook Page](#) is a great resource, as photos are posted regularly to assist finding the correct owners.

Kiss & Drive

Safety concerns have been raised in regards to street parking and the incorrect use of Kiss and Drive. Please remember the safest route during drop off and pickup is to follow the school in an anti-clockwise direction.

Vehicles are not to be left unattended at Kiss and Drive. If your child is not yet ready to be collected, please do a loop around the school allowing pickups to flow correctly.
