

Learning Area Grade Report

Year Group: Year 2
School: KAPINARA PRIMARY SCHOOL
Reporting Period: Semester 2, 2024

This report shows peer group grade achievement in the learning areas studied at the school. This information will show the number of students in each of the achievement levels and the total number of students within the learning area. To ensure the privacy of individual students, no comparative information is provided when the peer group is less than ten students.
